

Experience

- Nationally recognized Internet defamation attorney whose work is on the technological forefront of removing damaging content from the Internet, combating cyber attacks, and uncovering the identity of anonymous Internet users
- Represents clients worldwide, ranging from individuals (many, high profile) and small to mid-size businesses to Fortune 500 companies, nonprofit organizations and government institutions
- Successfully litigated over 70 defamation lawsuits in 13 states, securing removal of defamatory content in nearly all cases
- Experienced in obtaining verdict by jury and judge, winning temporary and permanent injunctions, and victory on appeal
- Assists clients in removing thousands of negative websites and other pieces of content from the Internet and search engine results

Background

- Author of two blogs on the subject of online defamation, DefamationRemovalLaw.com and ReputationLawyer.com
- Frequently called upon to comment and speak on topics involving online defamation for news media publications and to groups of businesses and other attorneys
- Recognized as a "Rising Star" by Super Lawyers Magazine every year since 2014, an honor given to no more than 2.5% of top attorneys in each state
- "Superb" (10/10) rating on the lawyer rating website Avvo.com
- Clients Choice award in the area of libel law, Avvo.com, 2013
