

Experience

Barbara has more than 40 years of legal experience in assisting clients through the divorcing process including financial and business issues, custody and necessary support. Since no two cases are alike, she believes the approach to each case should be tailored to the individual needs, goals and personalities of each client and family. Barbara is a strong advocate for a more collaborative approach including Mediation and Collaborative Law which can reduce emotional and financial costs for the client. If, however, litigation becomes necessary and appropriate, Barbara is a skilled and aggressive courtroom advocate to help protect the clients and their children.

By staying focused on the client's needs and goals, Barbara assists her clients in reaching a resolution by navigating through the stressful situation of divorce through actively listening and creating a careful strategic plan. By keeping the clients informed and involved throughout the process, she reduces uncertainty and guides the client and their families to move forward into the next phase of their lives.

Barbara has been recognized for her leadership in the Northeast Ohio legal community having been elected to be the 2011-2012 President of the over 5,000 member Cleveland Metropolitan Bar Association and an inductee into the Cleveland Marshall College of Law Hall of Fame.
